# Sellers Guidance

- **No one should attend if they have symptoms, recently had symptoms or have been advised to isolate or shield**
- Where possible wash down sale items with soap and water and clean clothes prior to sale
- Arrange items to reduce handling where possible
- Advise buyers to clean or wash items once returned home
- Purchase hand sanitiser and offer to new customers
- Sellers should keep 2m distance from buyers, or 1m if wearing face masks
- Set out lines on the ground to separate buyers from sellers using masking tape or chalk
- Have a designated browsing/buying area with minimum of 1m segregation and separate waiting area
- Clearly mark safe queuing space for buyers
  - Ensure no queueing or congregation on roads
  - Try to avoid, where possible, queuing on the pavement
- Be prepared to ask people to come back at a later time if your stall is overcrowded
- Price items to round numbers where possible to reduce change
- Please provide a money box for buyers to drop in cash to reduce hand-hand contact (or provide option for Paypal payments)
